

81095 Walker Rest Seat US Pat. D45711

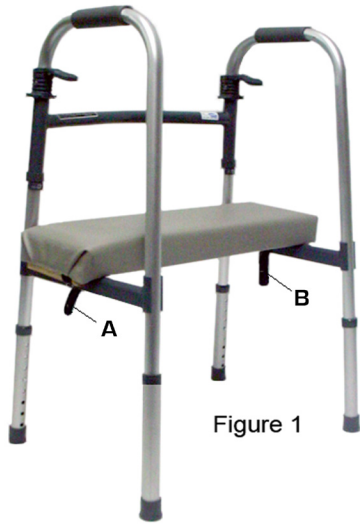

Figure 1

**Fig. 1:
Sitting Position**

Place seat bottom with wood stops (C) on the horizontal side bars. Attach the hook and loop fastener straps A & B around the bar and secure the Walker Rest Seat to the walker.

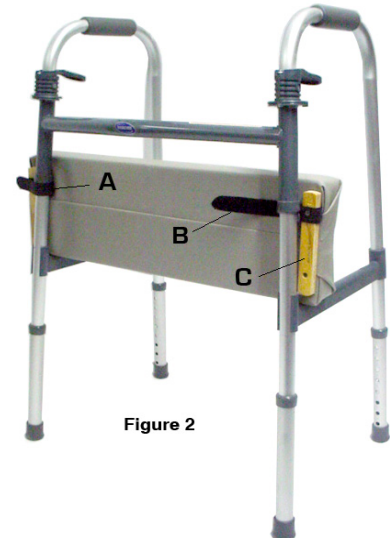

Figure 2

**Fig. 2:
Walking Position**

Lift the Walker Rest Seat with the bottom facing forward. Attach the hook and loop fastener straps A & B to the front upright posts to store it out of the way.
