

SWEDE-O THERMAL ARTHRITIC GLOVES

Swede-O® Thermal Arthritic Gloves are anatomically shaped to provide warmth and even compression to help relieve arthritic pain. Textured area in palm and fingertips provide additional grip for everyday activities. Open finger tips allow for a better sense of touch.

- Provides gentle heat therapy to the joints of the wrist hand and fingers
- Useful to wear doing daily tasks as they reduce soreness and swelling of the wrist, hands and fingers
- Anatomically shaped to provide gentle, even compression
- Allows for full use of fingers and better sense of touch
- Lining captures and retains natural body heat to increase blood flow and bring natural relief from arthritic pain

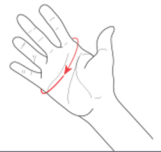

Thermal Technology

Swede-O Thermal Arthritic Gloves are designed to relieve aches, pains and stiffness associated with arthritis of the hands. The thermal lining captures and retains your natural body heat and helps increase circulation for effective long lasting pain relief and therapy. Swede-O Thermal Arthritic Gloves provide mild compression to help control or decrease swelling and pain of the joints. Wearing the gloves helps reduce the effects of Arthritis, poor circulation and other wrist and hand conditions.

SIZING GUIDE AND MODEL NUMBERS

Measure the circumference of the hand around the knuckles

MODEL #	SIZE	MEASUREMENT	
081694025	XS	6-6 ^{3/4} "	15-17 cm
