

Material Safety Data Sheet (MSDS)

Supplier:

Kinesio Holding Corporation

Address: 4001 Masthead Street NE
Albuquerque, NM 87109

Phone (505) 856-2029

Fax (505) 856-2983

Database Updated: February 1, 2018

Section 1: Product Name Kinesio® Tex Tape Light Touch+

Section 2: Ingredient(s)

<u>Ingredient(s)</u>		<u>CAS No.</u>
1. Support Material	Cotton, Polyurethane	Non Hazardous Material
2. Adhesive	Acrylic Co Polymer	Non Hazardous Material
3. Release Paper	High Quality Substrate	Non Hazardous Material

Hazardous Ingredient(s)

1. Paints, preservations, and solvents:	None
2. Alloys and metallic coatings:	None
3. Hazardous mixtures of other liquids, soils, or gases	None

Section 3: Physical Data

Boiling Point (degrees F):	N/A
Vapor Pressure:	N/A
Vapor Density (air):	N/A
Solubility in water:	N/A
Specific gravity:	N/A
% volatile by volume:	None
Evaporation rate:	N/A
Appearance in odor	Beige, Blue, Red, and Black Gauze coated with adhesive on release paper

Section 4: Fire and Explosion Hazard Data

Flash point:	N/A
Flammable limits:	N/A
Extinguishing media:	Class B, C
Special fire fighting procedures:	N/A
Unusual fire and explosion hazard:	N/A

Section 5: Health Hazard Data

Threshold value:	N/A
Effects of overexposure:	None
Emergency and first aid procedures:	None

Section 6: Reactivity Data

Stability:	Stable
Conditions to avoid:	N/A
Incompatibility:	N/A
Hazardous decomposition products:	None
Hazardous polymerization:	Will not occur

Section 7: Spill or Leak Procedures

Steps to be taken in case material is released or spilled:	N/A
Waste disposal method:	Discard

Section 8: Special Protection Information

Respiratory protection:	None
Ventilation:	Adequate
Protective gloves:	No
Eye Protection:	Do not get into eyes
Other protection equipment:	None needed

Section 9: Special Precautions

- Contact your physician/therapist prior to use
- Apply with correct application method.
- Apply with little or no stretch.
- Elongate the muscles or joints prior to applying tape.
- Stop usage immediately in the result of skin irritation. Test patch is recommended especially for those with high allergic tendencies.
- Remove any excess oils, sweat, and/or dirt prior to applying the tape.
- To remove tape, pull with direction of hair and move finger along to hold skin down, avoid lifting the skin.
- Test patch is recommended to sensitive area before use
- Do not remove tape in the shower/bath/any wet area
- Direct heat can cause over-adhering and can make removal difficult

Precautions to be taken in storage:

- Keep in cool, dry place.
- Avoid direct sunlight or high temperature.
- Keep out of reach of children
