

Glove Sizing Guide

1. With your hand, palm side down on a surface, place a tape measure around your hand.
2. Measure from the outside of your index finger knuckle.
3. Compare your measurement to the sizing guide to find your glove size.

| Size | MCP Circumference |
|-------------|------------------------------|
| X-Small | 7" |
| Small | 8" |
| Medium | 9" |
| Large | 10" |
| X-Large | 11" |
