HOLDFast Grab Bar Grips™ are a line of adhesive non-slip grips that provide SUPERIOR GRIP for most grab bars, walkers and hand holds.

HOLDFast Grab Bar Grips™:
• Works with most grab bars, walkers and hand holds
• Easy to apply
• Enhance safety and stability by improving grip in both wet and dry environments
• Perfect for grab bars in bathrooms, kitchens, poolside, and other areas
• Provide superior non-slip grip
• Proven performance and durability
• Easy to clean
• Patent-Pending technology
• Made in the USA

The HOLDFast Grips™ design is bio-engineered to replicate nature. The product’s thousands of tiny micro-fingers provide a non-slip surface that provides superior grip.

"After installing the grip on the grab bar in my shower I feel so much safer... I'd recommend this for anyone who needs a secure grip. Great product!"
Diane Q.

"I feel much safer now that my hand stays in one place and my fingers don't slip when I pull myself up. Thank you!
