Shoulder Sling Adapter for Neck Relief

FSA/HSA ELIGIBLE!

The **SlingThing**[™] distributes arm sling weight off your neck to your uninjured shoulder.

ALLEVIATE NECK PAIN:

Dramatically reduce neck pain, discomfort, and inflammation associated with a shoulder sling. Accelerate recovery with proper support and stability for torn rotator cuff and AC joint.

UNIVERSAL SIZE:

Tailor the fit to your comfort with the adjustable bicep wrap and tongue that pulls the sling off your neck. Fits most arm slings.

MAXIMUM COMFORT:

Engineered with user comfort in mind, the unique design promotes ease of wear, enabling individuals to experience relief without sacrificing mobility.
