

NEW PRODUCT

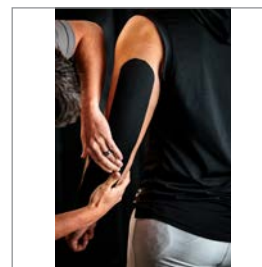

KT TAPE TURF TAPE

KT Turf Tape protects arms from turf burn so football players can focus on winning the game. Developed with a major D1 football program and NFL trainers. Available in two colors Black and White. KT Turf Tape is water and sweat resistant, and it is made with KT's Extreme adhesive, so it can withstand the toughest conditions. Once the easy-to-apply tape is on, it stays on!

Key Features:

- Sweat and water resistant with long-lasting Extreme adhesive
- Provides the kinesiology tape benefits that KT is known for
- Lifts skin, increases local blood flow & reduces muscle soreness
- Extra wide 4" x 30' uncut rolls can accommodate all player sizes
