PERFORMANCE HEALTH®

KT TAPE ORIGINAL COTTON

KT Tape Original Cotton is designed to relieve pain and provide support, staying in place for 1-3 days through showers, humidity, cold, and the pool. KT Tape Original features an adhesive formulated to last as long as you do. The KT Tape elastic core delivers strong support for muscles, joints and tendons without restricting comfort and range of motion.

Key Features:

- High quality cotton fabric that is highly breathable
- Flexible support to maintain full range of motion
- Latex-free, hypoallergenic, and natural rubber-free
- Provides support for 1-3 days
