

HEALI

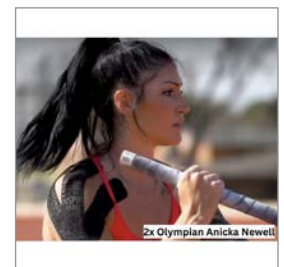

UNLOCK THE INFUSION

HEALI KINESIOLOGY TAPE

Menthol provides temporary relief for aches, pain, and itchiness by activating receptors that block pain signals. It's fast-acting, cooling, and has anti-inflammatory and antimicrobial properties. Additionally, magnesium, often depleted by stress and diet, aids numerous enzymatic reactions, accelerates healing, and prevents injuries, making it crucial for health.

Key Features:

- Adhesive stays sticky for 4-7 days
- Mild, quickly diminishing non-offensive scent
- Natural ingredients that are safe for ages 12+
- Latex-free & 3rd party tested safe
