

NEW PRODUCT

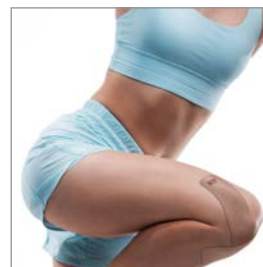

KT TAPE PRO EXTREME TONES

KT Tape Pro Extreme Tones is available in NEW skin tones with low contrast logos to better blend in with skin. Formulated with extra-strength adhesive to help with adhesion during strenuous activity and extreme rain, high heat, high humidity, or oily skin. It has been designed to relieve pain and provide support where needed, staying in place through 4-7 days.

Key Features:

- Match a range of skin tones to better blend into skin
- Synthetic fibers are fast-drying and water resistant
- Provides superior strength, stretch, and recoil
- Hypoallergenic, Latex-Free, Natural Rubber-Free
