HS UNIVERSAL HANDLE GRIPS

HS Universal Handle Grips offer a comfortable, ergonomic solution to enhance the grip on a variety of items in the kitchen, around the house, on sports equipment, or in the garden. Designed to fit the natural contours of the hand, these grips provide added comfort and support, reducing strain during use.

Key Features:

- Set of three grips - blue, green and gray
- Fits most handles up to 1" in diameter
- No cutting or gluing required
