THERMOSKIN® THERMAL KNEE SUPPORT

The Thermoskin® Thermal Knee Support is designed to provide reliable protection and support for individuals experiencing arthritic pain, as well as discomfort from general wear and tear. It helps manage conditions such as sprains, strains, and weakened knees by delivering gentle compression and warmth to the joint.

Key Features:

- Promotes blood flow for enhanced recovery
- Machine wash in cold water and drip dry
- Latex-free materials
- Sizing based underneath knee cap
