

THERMOSKIN SACROILIAC BELT

Thermoskin Sacroiliac Belt has an easy wrap around design that is comfortable, easy to apply, and provides needed stabilization of the sacroiliac joint through controlled compression. Helpful for those who suffer from back or hip pain, pregnancy back pain, and other sports and workplace injuries.

Key Features:

- Low profile, contoured, conforming design
- Secondary elastic side straps adjust and customize
- May be worn over clothing or directly against the skin
- Designed for both men and women
