3M™ Cavilon™ No Sting Barrier Film
A versatile product for preventing and treating skin damage

An alcohol-free liquid barrier film that protects intact or damaged skin from bodily fluids, adhesive, friction and incontinence.

- Completely alcohol-free formula will not sting even when applied to damaged or denuded skin
- Clinically proven to provide up to 72 hours of protection from incontinence for cost-effective prevention
- Non-cytotoxic: will not interfere with skin or wound healing
- CHG compatible
- Hypoallergenic
- Provides periwound skin protection, moisture and irritant protection, adhesive trauma protection, friction protection, and peristomal skin protection
