

Recumbent Cycle C575R

SportsArt cycles are self-generating; no-outside power source required. The contact heart rate is standard and a wireless Polar® HR receiver is built in, multiple language options are included (English, Spanish and French) and a 3-speed fan keeps users cool.

- ComfortDri™ vented padded seat back allows for airflow throughout the workout and is molded to provide ultimate support
- Convenient seat adjustment handles are easy to reach while exercising
- Adjustable seat back provides extra comfort for any exercise position
- Oversized pedals feature quick strap adjustment for easy customization
