

Navigating the Medco Supply List

Now that you know how to create your supply list, are you ready to use the Medco Supply List? Learn how to navigate your lists!

Supply List Drawer

You can access the supply list from any page while you're logged in. Just click on the supply list icon on the bottom right hand corner of your screen.

Supply List Types

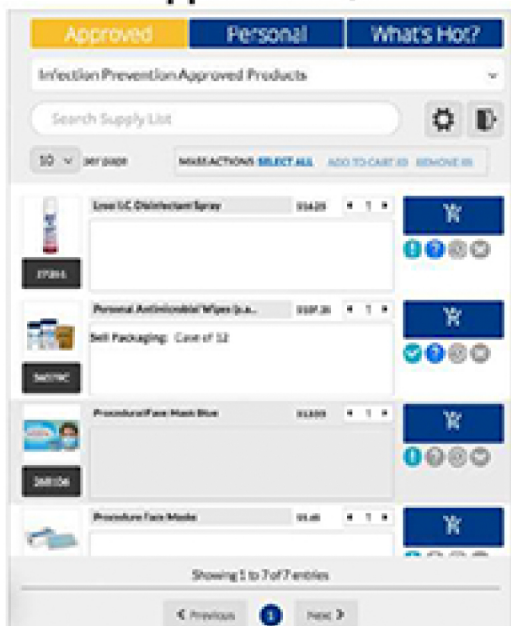

There are three types of supply lists:

- If you're logged in as a company user, you will see "Approved Supply Lists". These lists are created by your company's Medco Sports Medicine Account Admin.

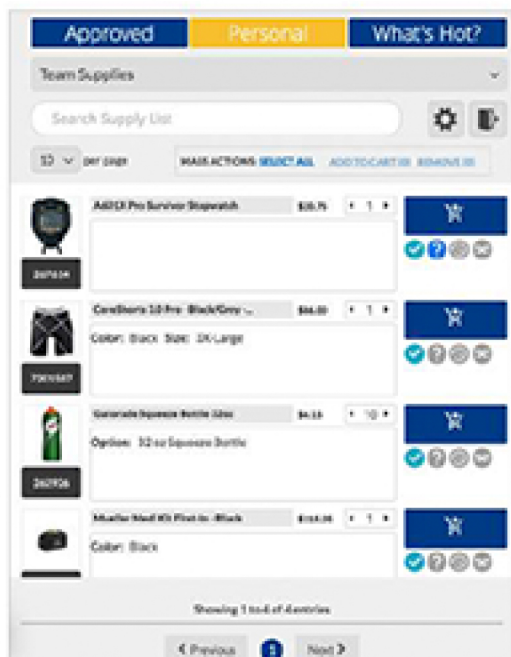

All logged in users will see the other two lists:

- The "Personal Lists" include all lists that you create.
- "What's Hot Lists" include lists curated by us, for you! Our best selling and newest products will be found on these lists.
